

**PARKVIEW
BAPTIST CHURCH**

Dear Church Family,

We are thankful to be past the storm. We are still waiting for power to be restored to the campus, and will update on services soon. In the meantime please let us know that you are safe, or if you are in need of any type of assistance.

We are becoming aware of many needs in our sister parishes and communities. Many of you may be wondering what you can do to assist them.

We will participate with our denomination in the Coordinated SBC disaster relief efforts. If you would like to help in the disaster relief effort please let us know so that we can connect you. These teams will do everything from meal service to chain saw and mud out work. Contact us at info@pbcbr.org

If you know of those in need of these types of services in the affected areas please use the link below to report on those needs. You should receive a response within a day.

If you know of specific needs within the Parkview family please let us know and we will seek to provide resource and assistance where we can.

We will also collect supplies in the coming days for those areas hit by the storm. You can bring:

- Water
- Gatorade
- Hygiene times
- Baby supplies
- Non-Perishable Food items
- Trash Bags
- Tarps/roofing nails
- Gloves

We will begin collecting these items at the church as soon as we have power restored to campus.
