

### **Parkview's Build a Bucket Disaster Relief Campaign**

Join Parkview in building a bucket of supplies to help those affected by Hurricane Ida! Be part of loving our neighbors by filling a five-gallon bucket with helpful items. For less than \$40, you can provide a relief bucket for one person that includes:

- (4) bottles of water
- (4) gatorades/powerades
- (4) packs of nabs (cheese crackers)
- (1) toothbrush
- (1) toothpaste
- (1) shampoo/conditioner
- (1) soap
- (1) deodorant
- (2) pairs of work gloves
- (10) contractor garbage bags
- (1) note of encouragement

Providing some of these quantities will require that you open large packs. That just means you have a start on packing another bucket! (Or you can donate the leftovers you have of each item.)

You may also choose to donate full packs of the above items, along with non-perishable food items.

While not every family will need the following items, you may consider donating:

- Tarp
- Roofing nails
- Baby supplies (diapers, wipes, baby food)
- Cleaning supplies
- 1-gallon jugs of water
